Thoughts for You Today and Moving Forward

• **Think Regionally**
  - You have some. I have some. Together we have a lot.
  - We are attracting employers, employees and improving quality of life.

• **Be Ready**
  - You never know when funding will become available.
  - Projects and plans with political support and matching funds will be in a much better position to move forward.

Projects waiting for money, not money waiting for projects.
